Euro Flooring & Design Center is a family-owned business that has been an industry leader for a number of years in bathroom remodeling and specifying and installing flooring. We are your design advocates. Our mission is to provide clients with spaces that are both beautiful as well as offering functionality. The complete process of planning, designing and installing a new bathroom requires a tremendous amount of expertise which we pride ourselves in having. We offer full design, remodeling and installation service for your entire project from start to completion. Euro Flooring & Design Center holds a certified residential contractor license and is fully insured. We're passionate about the importance of aesthetics. Together we can design and remodel the bathroom of your dreams.

Euro Flooring & Design Center, Inc. prides ourselves in making sure you're satisfied with our [products and services](#)

. We have available all of the major brands such as
